"These people are working hard and putting themselves and their families in harm's way for our community. We wanted to find a way to support them and invest in our community,"

- Duane West, CEO of 3R's Construction Management, LLC

\$10.00 each private or work vehicle for • Hospital Workers • Medical • Dental • Utilities • Senior Citizens • Uber • Lift • Active Military • Veterans • City and County Vehicles

\$20.00 each, all other cars and trucks

The process is quick

- You will be directed to a parking spot.
- Asked to leave your keys in the driver's door.
- Stand or sit in the waiting area for about 15 min.
- Our Techs will spray a mist throughout the interior of your vehicle, then close it up for 10 minutes. After a quick airing-out, your vehicle is ready to go. Some people choose to wipe down the windows and seats after we finish. There will be rags available to borrow if you did not bring one of your own.
- Wave goodbye!

Appropriate distancing protocols will be encouraged at this event!

"With all the daily bad news, we choose to do something positive to invest in and encourage our community, and maybe, inspire others to find ways to use their talents to help."
